PRESS RELEASE

RE:***PATRICK THOMPSON FOUND GUILTY OF POSSESSION OF FENTANYL***

Date:**March 1, 2022**

A jury of twelve Crawford County citizens today found Patrick Thompson ***guilty*** of Possession of Fentanyl (a felony of the fifth degree) and Possession of Drug Abuse Instruments (a misdemeanor of the second degree) in case number 22 CR 0052. Immediately after the jury's guilty verdict, Judge Sean Leuthold sentenced Mr. Thompson to eleven (11) months prison.

The case was tried by Assistant County Prosecutors Daniel Stanley.

“Dan once again did a very good job of holding a person who was found during a large drug raid accountable. The Crawford County Sheriff’s Office, through the leadership of Detectives Moser and Winkelman led the investigation in the manner that Crawford County is lucky to be accustomed to... without the teamwork I am blessed to receive, our goals could not be accomplished.”
